Areas of Practice

Corporate
Franchising & Licensing

About

Eric is an associate and joined the firm in 2020. He has worked on multiple projects within different practice areas, such as corporate, franchising, licensing and distribution, consumer protection, information technology, e-commerce, and personal data protection.

Eric has four years of clerkship experience, two of which are fully dedicated to corporate law. Among his activities, Eric effectively assists clients across legal matters such as structuring, designing and incorporating all types of commercial and civil companies; preparation and modification of bylaws; foreign investment regulation (registration, maintenance, authorizations) and maintenance of corporate books and records. He also has experience revoking, granting, and structuring of powers of attorney; preparation, maintenance, and update of corporate profiles; shareholder agreements; share subscription agreements; increases and reductions of corporate capital; and issuance, redemption, and transfer of shares. Eric has also been involved in mergers, acquisitions, transformations, spin-offs, dissolutions, and liquidations, as well as the preparation, negotiation, execution and compliance of civil and commercial contracts and agreements; legal opinions on corporate matters; coordination and execution of legal audits; corporate governance; coordination with notary public office; apostilles and legalizations; conflicts between shareholders, among others.

Prior to joining the firm, Eric worked as litigation intern at a leading Mexican firm. He also has experience in the private sector working as legal in-house counsel at a Mexican company.
