## About

José Carlos has 4 years of professional experience in multiple areas of law such as corporate, real estate, litigation, and tax.

His practice focuses on corporate and commercial law, assisting clients in their day-to-day needs such as incorporating, regularizing, and following up on any corporate matter, as well as the preparation and review of all types of contractual documents. Likewise, José Carlos performs M&A due diligence in corporate and real estate transactions, identifying and mitigating potential risks. He also involved in real estate matters, where he prepares all types of documents related to purchases and sales, leases, audits, and trusts. José Carlos is currently in charge of the immigration area, where he is responsible for advising and carrying out all required procedures on behalf of the firm's clients.

Prior to joining the firm, José Carlos worked as an intern at prestigious law firms in the litigation, tax, and corporate law areas. He was also in charge of the legal department of a well-known commercial company located in Mexico City, where he was responsible for all the corporate and commercial matters inside the company including as public tenders, compliance, government procedures, drafting all types of contracts and any other corporate need.

José Carlos obtained his law degree from Universidad Iberoamericana. During his undergraduate studies he attended the Universidad Complutense in Madrid, Spain. Where he studied a full semester under the university exchange program.
