Tax

About

Aarón is an associate at Diaz Rivera Laliou y Rosas, S.C. and has more than 12 years of experience assisting companies from various sectors in tax matters, including compliance processes, corporate restructurings, disposition of shares, among others. He supports his clients, both individuals and corporations, engaged in the commercialization and provision of services, in complying with their tax obligations, and providing continuous tax advice in their daily and extraordinary operations.

For eight years, Aarón worked for recognized tax advisory firms, including one of the 4 main consulting firms worldwide (Big 4), as senior manager in the corporate tax area.

Aarón holds a Bachelor's Degree in Accounting, graduated from Universidad Tecnológica de México. He has a Diploma in Taxation from Colegio de Contadores Públicos de México.
