Tax

About

Daniel is an associate at Diaz Rivera Lalieu y Rosas, S.C. He has more than 5 years of experience providing tax advisory services to national and international clients, with specific focus in transactional matters for multinational companies with presence in Mexico, high-net worth individuals, venture capital funds, and startup companies.

Daniel's experience includes four years working in the tax advisory area for one of the leading tax advisory firms in Mexico where he also worked for two years in a worldwide leading management consulting firm as a tax consultant mostly taking part in tax due-diligence processes.

Daniel holds a bachelor's degree in Accounting and Business Management from Universidad Iberoamericana in Mexico City.
